National Theme: Supporting Unhoused Individuals

At the 2024 National CDC, the JAGCA Delegate Assembly selected the 2024-2026 National Service Project theme to be Supporting Unhoused Individuals.

All volunteer hours and donations must be in connection to Supporting Unhoused Individuals in order to be considered for the JAGCA Service Project Recognition.

Tracking Hours and Funds Raised

Local chapters plan service-learning projects to support the selected organization. Chapters document their involvement and submit documentation for the opportunity to earn recognition at the state and national levels. This event aims to encourage JAGCA members to provide service learning by coming together collectively in support of the JAGCA National Service Project.

JAGCA Service Project recognition overview:

- Members and chapter advisors will submit hours and money raised by their chapter via the Headrush platform.
- Members should record their volunteer hours individually.
- Donations should be noted on just ONE chapter member’s account.
 - ◊ For example, if a chapter raised \$150 in five hours of volunteer time, each member who participated should record five hours. But only ONE member of the chapter should enter the \$150 donation total. If all five members entered \$150, this would inflate the actual amount of money raised.
- For national recognition, this event may include activities from June 1, 2024 through March 15, 2025.
- Activities must be entered and APPROVED by chapter advisors before submitting on Headrush by midnight on March 15, 2025.
- The list of activities in the system is what will be used to identify recognition levels at the National Career Development Conferences.
- Information submitted to JAGCA via Headrush will become the property of JAGCA. Permission given via Headrush will become property of JAGCA. Submit documents via Headrush by the appropriate deadline.
